ADDRESS: Lumina Homes, Taguibo, Butuan City Agusan del Norte, 8600

OBJECTIVE

I am seeking a challenging position where I can apply my academic knowledge in a real-world work environment while actively contributing to the company's growth and success. This opportunity will allow me to enhance my technical skills, gain hands-on practical experience, and develop a strong sense of professionalism and work ethic. I am eager to learn from experienced professionals while making meaningful contributions to the company's operations and supporting the organization in achieving its strategic goals. I am committed to delivering high-quality work, demonstrating dedication and reliability, and ensuring that my efforts positively impact the overall performance and development of your team.
