Dear Social Media Academy,

I am excited to apply for the position you have been looking for. As a highly organized and detail-oriented individual, I am confident in my ability to make a positive contribution to your team.

With such experience in the given vacant position, I have more than a basic knowledge of frontend developer with a passion of well user-friendly website creation. I am a well-versed in HTML, CSS, and JavaScript, and some of other frameworks and libraries, which allows me to implement interactive features. Additionally, I have experienced working as a Graphic Designer such as Adobe Illustrator, Photoshop, Premiere and After Effects. Additionally, my expertise as a student as I am taking a Bachelor of Science in Information Technology, makes it soon to be my profession. Thus, I assure to do my best in any circumstances for the success of your team.

I am a team player with excellent communication skills, and I am committed to providing accurate and timely work hours. I am confident that my skills and experience make me a strong candidate for this position.

Thank you for considering my application. I look forward to the opportunity to contribute to the success of your team.

Best Regards
Glomer Pimentel
